

AN APPEAL FROM PRIEST SRINIVAS DIKSHITULU DEEVI (HINDU TEMPLE OF ST.LOUIS)

Dear friends

My 4 Year old daughter Supraja Deevi was diagnosed as having Acute Leukemia about 2 months back. She was admitted to Cardinal Glennon Children's hospital and undergoing chemotherapy and related treatments. The treatment will go on for the next 6 months and advised to be in the hospital most of the time. Three more sessions of chemotherapy are planned. A decision about bone marrow transplant will be made later depending on the response to chemotherapy. As you may be aware, the hospital bills are huge. In spite of the insurance coverage personal payment of the bills is significant.

Therefore I request help from our community in the form of voluntary donations. I have established a fund in the name of my daughter (Supraja Deevi Medical Fund). The checks may be addressed to the above fund in the following ways.

- 1) Drop in the donation payable to Supraja Deevi Medical Fund in the Hindu temple with the manager Satish Babu
- 2) Drop the donation at Seema on page avenue with Ashwin Patel
- 3) To my address at Srinivas Deevi, 177 Carmel drive, Ellisville, MO 63021
- 4) Deposit at any bank of America in the name of "Supraja Deevi Medical Fund"

I thank you for your kind consideration from the bottom of my heart

Your priest

Srinivasa Dikshitulu Deevi
Priest, The Hindu Temple of St. Louis
